The Target Company will comply with the minimum public shareholding requirements in the manner and within the timelines prescribed by SEBI.

II. BACKGROUND TO THE OFFER

1. The Acquirer had, by way of its letters dated June 15, 2018 bearing reference number INVO/Equity/2, and June 26, 2018 bearing reference number INVO/Equity/ED, sought permission from the IRDA in relation to it being permitted to acquire up to 51% of the shareholding of the Target Company. The IRDA by way of its letter dated July 4, 2018 bearing reference number INV/LIC/LR/002/2018-19 permitted the Acquirer to acquire up to 51% of the shareholding of the Target Company subject to certain conditions. Further, the Acquirer sent a letter dated July 16, 2018 to the Target Company wherein the Acquirer expressed its interest in acquiring up to 51% of the shareholding of the Target Company. Upon receipt of such a letter, the board of directors of the Target Company ("**Target Company Board**") decided to seek the decision of the Central Government in relation to the same. The Department of Financial Services, Ministry of Finance, Government of India by its letter dated August 6, 2018 granted its no-objection in relation to, among others, the acquisition by the Acquirer of up to 51% of the shareholding of the Target Company and relinquishment of management control by the Central Government in the Target Company. Thereafter, the Acquirer sent a letter dated September 27, 2018 to the Target Company by way of which the Acquirer informed the Target Company that the Acquirer's board of directors has now at its meeting held on 4 September 2018 approved the proposed acquisition by the Acquirer of up to 51% of the shareholding of the Target Company. Thereafter, the Target Company Board, at their meeting held on October 4, 2018, authorised the issuance and allotment of Equity Shares* aggregating up to 51%* of the Fully Diluted

Voting Share Capital, to the Acquirer, by way of a preferential issue at an issue price to be determined in accordance with Chapter VII of the SEBI (Issue of Capital and Disclosure Requirements) Regulations 2009, as amended (“**SEBI (ICDR) Regulations**”) (“**Preferential Issue**”), to be paid in cash, subject to receipt of the approval from the shareholders of the Target Company as well as receipt of the statutory and other approvals. The Offer therefore triggered on October 4, 2018 in terms of Regulation 13(2)(g) of the SEBI (SAST) Regulations, being the date on which the Target Company Board authorised the Preferential Issue. The Offer is being made to the Equity Shareholders in accordance with Regulations 3(1) and 4 of the SEBI (SAST) Regulations pursuant to the approval of the Preferential Issue by the Board. In terms of Chapter VII of the SEBI (ICDR) Regulations, the “relevant date” for the Preferential Issue is October 8, 2018 and accordingly the price at which each Equity Share will be issued has been calculated to be ₹60.73 that aggregates up to ₹2,02,28,47,14,614 in relation to the issuance and allotment of 3,33,08,86,129 Equity Shares*.

** The number of Equity Shares and the percentage of Equity Shares to be subscribed by the Acquirer has been calculated assuming that the Equity Shareholders do not tender any Equity Shares in the Offer. Accordingly, if the Equity Shareholders do tender any Equity Shares in the Offer, then such number and percentage may reduce in order to ensure that the Acquirer holds not more than 51% of the Fully Diluted Voting Share Capital upon completion of the Offer and the Preferential Issue.*

2. Accordingly, the Target Company Board at the meeting on October 4, 2018, also approved the issuance of a postal ballot notice dated October 4, 2018 (“**Postal Ballot Notice**”) which requires the equity shareholders of the Target Company to consider and approve the Preferential Issue. The Postal Ballot Notice provides that the equity shareholders of the Target Company must submit their respective votes on or before 5:00 p.m. of November 7, 2018. The Target Company will declare the results of the postal ballot within the statutorily prescribed timeline.
3. The key objectives of the Acquirer for the acquisition of a controlling stake up to 51% of the Fully Diluted Voting Share Capital of the Target Company, include, (i) achievement of Acquirer’s vision of becoming a trans-nationally financial conglomerate which would provide entire gamut of financial solutions to its customers under one umbrella; (ii) synergetic benefits for the Target Company and the Acquirer through achieving economies of scale, reduction in the costs of distribution, customer acquisition, operational efficiency and opportunity for cross-selling of products and services; ; (iii) provide it the ability to deepen financial inclusion; and (iv) opportunity to undertake bancassurance through the Target Company’s network of branches.

- There have been no corporate actions by the Target Company warranting adjustment of any of the relevant price parameters under Regulation 8(9) of the SEBI (SAST) Regulations.
