Frequently Asked Questions
Withdrawal of existing ₹500/- and ₹1000/- Bank
(Updated as on November 25, 2016)

1. Why is this scheme introduced?

The incidence of fake Indian currency notes in higher denomination has increased. For ordinary persons, the fake notes look similar to genuine notes, even though no security feature has been copied. The fake notes are used for antinational and illegal activities. High denomination notes have been misused by terrorists and for hoarding black money. India remains a cash based economy hence the circulation of Fake Indian Currency Notes continues to be a menace. In order to contain the rising incidence of fake notes and black money, the scheme to withdraw has been introduced.

2. What is this scheme?

The legal tender character of the existing bank notes in denominations of ₹500 and ₹ 1000 issued by the Reserve bank of India till November 8, 2016 (hereinafter referred to as Specified Bank Notes) stands withdrawn. In consequence thereof these Bank Notes cannot be used for transacting business and/or store of value for future usage. The Specified Bank Notes can be exchanged for value at any of the 19 offices of the Reserve Bank of India or at any of the bank branches of commercial banks/Regional Rural Banks/Co-operative banks or at any Head Post Office or Sub-Post Office.
