CRISIL has advised that the downgrade of the Bank's ratings is due to deterioration in asset quality and profitability and expectation of continued high slippages over the next couple of quarters. The ratings, nevertheless, continue to factor in CRISIL's belief that IDBI Bank will continue to receive support from its majority owner, the Government of India both on an ongoing basis and in the event of distress.

You are requested to kindly take the above intimation on record in terms of the provisions of Regulations 30 & 51 of SEBI (LODR) Regulations, 2015.
